Over 70 locations participate as official ArtHop venues to help sustain free public art experiences for the Fresno Metropolitan & Clovis communities. If you are a business owner who values the arts and would like to join ArtHop as an official venue, you can apply online

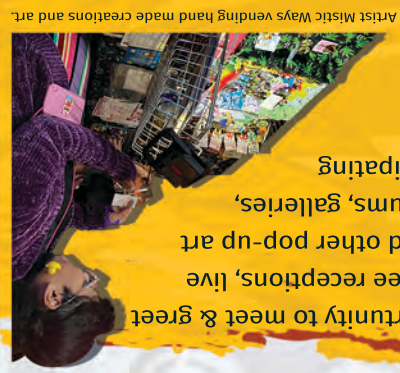

As Fresno County's local arts agency, we provide technical support, programming support, and other services to cultural arts organizations, community programs, individual artists, and other arts organizers serving the region. These programs include workshops, technical assistance, fiscal receivership for independent artists and arts groups, public art consultancy, the City of Fresno Poet Laureate, ArtPoetry Out Loud, Artists in Schools, the Horizon Awards, Arts Juried Show, ArtHop, and others.

The Fresno Arts Council (FAC) was established in 1979 with one mission: to enrich people's lives through the arts in Fresno County. As a public, 501(c) (3) non-profit organization, the FAC is the official agency of the City and County of Fresno tasked to promote the arts industry and serves as the state-local partner to the California Arts Council, as designated by the Fresno County Board of Supervisors.

ABOUT FAC

ArtHop is a fully-immersive public arts experience and occurs every 1st and 3rd Thursday of the month, from 5:00PM-8:00PM, all year long. It is one of the most successful art programs organized by the FAC, and is much loved by art enthusiasts from all walks of life throughout the Fresno Metro Area.

"ArtHop is one of the cultural jewels of the central San Joaquin Valley. What could be better than getting thousands of people together each month to enjoy art?" - Donald Munro
